About Horizon Wind Energy

With over 20 offices and 18 wind farms across the United States, Horizon Wind Energy has developed more than 3,300 MW and operates over 2,300 MW of wind farms.

Horizon is owned by EDP Renováveis S.A. ("EDPR"), a global leader in the renewable energy sector. EDPR has undergone exceptional development in recent years. Its installed capacity increased four-fold between 2005 and 2007, becoming the third largest wind energy company in the world. EDPR is listed on the Euronext Lisbon Stock Exchange.

Energias de Portugal, S.A. ("EDP"), the parent company of EDPR, is a vertically-integrated utility company, headquartered in Lisbon, Portugal. Through its various constituent businesses, EDP holds significant electricity and gas operations in Europe, Brazil, and the United States.
